# INTRODUCTION

## Important Information

This document, the **schedule** and any **endorsements** attached form **your policy**. This document sets out the conditions of the insurance between **you** and **us**. Please read this **policy** carefully. If the coverage or benefits provided do not meet **your** requirements or **you** do not comply with the conditions set out in this section, please contact **your** intermediary or broker within the 14 day cooling-off period (see 'Right to Cancel this Policy' below).

It is important that:

- **you** check that the sections of cover that **you** have requested are included in the **schedule**
- **you** check that the information **you** have given **us** is accurate – please see the 'Information that **You** Provide to **Us**' further below
- **you** notify **your** intermediary or broker as soon as practicable of any inaccuracies in the information that **you** have provided to **us**
- **you** comply with **your** duties under each section of cover for which **you** are insured, and under the terms and conditions of this **policy** as a whole

This is not a private medical insurance. If **you** need any emergency medical treatment or emergency travel assistance whilst abroad, **you** must contact the 24 hour emergency assistance company, CEGA on +44 (0) 1243 621173. Not contacting CEGA, or not following their instructions, could affect **your** claim. Full details about how to make a claim are shown in the 'Claims Notifications' and 'Claims Conditions' sections.

## Information that You Provide to Us

**We** are relying upon the information **you** provide to **us**, either directly or through **your** intermediary or broker, in deciding whether to provide **you** with this **policy** and on what terms and at what premium.

If **you** become aware that any information **you** have given **us** is not complete or accurate or **you** fail to notify **us** through **your** broker or intermediary that the information **you** have provided **us** is inaccurate or incomplete, and **we** establish that **you** deliberately or recklessly provided **us** with false or misleading information, then **we** may treat this **policy** as if it never existed, decline all claims, and retain the premiums paid.

If **we** establish that **you** carelessly provided **us** with false or misleading information, then the cover and benefits under this **policy** could be affected and **we** may, for example:

- treat this **policy** as if it never existed and return **your** premium paid; or
- If **we** would have entered into the **policy** on different terms, treat the **policy** as if it had been entered into on those different terms; or
- cancel **your policy** and refuse to pay any claim; or

- charge an additional premium; or
- alternatively, if **we** would have charged a higher premium, **we** may proportionately reduce the amount of **your** claim by reference to the premium actually charged and the premium **we** would have charged if not for the false or misleading information.

**We** will write to **you** through **your** intermediary or broker if **we** take any of these steps.

## Right to Cancel this Policy

**You** have a right to cancel this **policy** within the first 14 days from the date **you** receive **your policy** documentation and if **you** choose to do so **you** will receive a full refund of **your** premium (the cooling off period), provided **you** have not undertaken a **covered trip** or made a claim against the **policy**. To exercise **your** right to cancel **you** must contact **your** intermediary or broker.

**You** can also cancel this **policy** at any time after the cooling-off period by writing to **us** through **your** broker or intermediary, but no refund of premium will be given.

**We** can cancel this **policy** at any time by giving 30 days written notice to **you** at **your** last known address and in such an event the premium for the period after the date of the cancellation will be returned to **you** on a pro-rata basis.

**We** will only do this for a valid reason. Examples of valid reasons include but are not limited to:

- non-payment of premium;
- a change in the nature or character of the risk **we** are insuring which means that **we** can no longer provide **you** with insurance cover;
- **your** non-cooperation or failure to supply any information or documentation requested by **us**;
- **you** making a fraudulent claim;
- **you** failing to provide **us** with accurate and complete information;
- **your** use of threatening or abusive behaviour or the use of threatening or abusive language.

No return of premium will be made to **you** if any claim has been paid or is outstanding under this **policy**.
