### **Trinity Insurance Services Ltd announces partnership with Royal Marines Association – The Royal Marines Charity**

**Chichester, West Sussex – 20 January 2023**– Specialist Military and Veterans insurance broker Trinity Insurance Services Ltd, has today announced its partnership with Royal Marines Association – The Royal Marines Charity (RMA).

The partnership brings together two organisations with the common goal of supporting serving and former Marines personnel and their dependants, whatever life stage they are at. Trinity, from a protection point of view, will provide insurance products and insurance expertise to members, enhancing the membership benefits of the association.

Trinity is a business run by veterans with over 50% of their workforce having previously served/being a spouse of serving military. With 23 years' experience of supporting the Armed Forces Community with their insurance needs, they are well placed to support the Royal Marines Association. Products available to members include life insurance, personal accident insurance, travel insurance and kit, contents and personal possessions insurance amongst others.

Mark Austin, Chief Executive Officer, Trinity commented: "We are delighted to have been selected as a partner to RMA. Our mission at Trinity is to provide insurance products that meet the unique needs of the Armed Forces Community and deliver that with the best customer service, and with trust and integrity. We are looking forward to developing a successful partnership and enhancing membership benefits for the Royal Marines community.

RMA-The Royal Marines Charity added: "We looked long and hard at many options however Trinity Insurance has impressed us with their obvious specialist expertise, and the superior level of service support they can offer our Members. We know that insurance decisions are never easy to make but with a solid industry reputation gained over many years, RMA believes that the team at Trinity can offer a comprehensive range of sound, affordable options to those considering their insurance needs."
